

March 2018

To whom it may concern;

My name is Heather Evans and I am the owner and licensed riding instructor at Follow Your Dreams Farm in Derry, NH. We are a young farm that strives to provide the best opportunities possible for our clients present and future endeavors. Our program is designed to educate and encourage our riders to try their best, never give up, and build a strong and lasting partnership with their equine counterpart. In addition to a strong supportive farm environment we also currently hold one of the largest 4H groups in the county which helps promote its members and their families.

The purpose of seeking a sponsorship is to help alleviate some of the financial burden our family is faced with during our show season. Entry fees, show attire, show tack, supplements, trailering, and coaching fees are just a few that have become quite costly during the course of our season. Our competitors are of various ages, talented, dedicated and hardworking with promising futures in the horse industry.

In return for your sponsorship; we offer you the opportunity to promote our finest riders as they compete in this year's show season. We host numerous public events throughout the year for our community and local schools. We attend yearly banquets, parades, and organized rides of which provide great exposure for your company. Our monthly newsletter, website, and public events can also be utilized for your companies benefit.

Thank you for taking the time to consider our proposal we look forward to any assistance your company may provide for our amazing team.

Respectfully,

Heather Evans
