

# Kim Petrelis

## Riding Instructor

**MA Riding Instructor license**

**CPR certified**

**Special Education & Lead teacher Certified**

**7 years - Special Education Assistant**

**8 years- 4-H Leader for Dream Catchers**

We welcome Kim officially to the FYDF Instructor family. Most recently she has finished her Internship under Heather Evans and has received her MA Riding Instructor license. Kim will be taking on new beginner level students, runs the Introduction to horse classes, and is currently working on some new parents and horsemanship classes.

### Experience / Background

Kim has been helping out at the farm in a variety of ways since 2013. She has been working with and caring for the horses on the farm for the last 9 years as part of our show team staff, assisting with summer camps, and helps us stay organized with vet and farrier services.

Training and instruction is always based on safety, connections, and setting achievable goals for students and horses. Using the skills she has gained working with young children she provides techniques to individualize instruction and set goals to motivate students to progress while having fun.
